

Greetings! We hope this letter finds you well and blessed through these difficult times. Because you are an important part of our HSMC family, we thought you would want to know about our **BIG PLANS!**

As you may know, our growing family of furry friends and staff need more space. Just like any family, the more members you have, the more room you need. ***We are pleased to invite you to be an important part of this exciting process!***

Plans are in the works for our new Clinic which will be approximately 5,700 square feet. The clinic is the first step that our animals will take in finding their forever home.

We are asking for your help to **Raise the WOOF!**

The Humane Society of Marion County is reaching out to raise money for the brand-new clinic. How blessed are we to have so many members like yourself that we need to build an entirely new structure?

It will provide the Vet staff and doctors a space to evaluate and isolate animals arriving here and keep our incoming animals separated from our healthy animals. It is difficult to isolate sickness like kennel cough, upper respiratory infections, parvo, and numerous health issues, when all are contained under one roof.

For the health of the animals, we are reaching out to our supporters. It is our greatest hope that you will be able to join us in building this new clinic! Our clinic, in addition to evaluation, is a trauma center for the severely injured animals. This clinic is not a luxury but a necessity.

Naming opportunities exist for the many needed items to equip our clinic. All gifts will include a place and part in the new clinic, making your gift special. ***If you and your family would like to join us in being a part of this tremendous, exciting, and much needed clinic, your donation would be greatly appreciated.***

Future plans are for us to offer help in wellness because so many people can not afford all the products that are needed to keep animals healthy. We know because we see it firsthand everyday. This clinic will be a community clinic for the community animals.

If you have any questions about the new clinic, please feel free to reach out to our **Executor Director, Eddie Leedy** or email him at eleedy@humanesocietyofmarioncounty.com.

To view clinic floorplans, visit our website at [wwwTheHSMC.org](http://www.TheHSMC.org).

As always, have a blessed day.

Thank you from Hot Wheels and all his friends at the Humane Society of Marion County as we

Raise the WOOF!

HOT WHEELS

Raise the WOOF! Naming Recognition

There are numerous reasons why donors commit to gifts with naming recognition. Please help us, with your name and gift, build this much needed clinic to help the community prevent cruelty, suffering and the overpopulation of animals.

-  To leave your legacy
-  To honor a loved one, friend, pet, or someone you admire
-  Sentimental ties to the HSMC or our programs
-  A sense of philanthropic duty
-  A desire to build respect and a good reputation in the community

Per plan, each room in our clinic can be named all or in part with your name. Our engraved bricks are \$150 dollars and will be placed at front entry. Signage is available in the new clinic and outside the clinic. The cost for naming a room is \$175.43 per square foot. Numerous items and equipment will be needed for completion of the new clinic's interior. You can also support the HSMC by purchasing much needed equipment:

- Two surgical tables & one wet table
- Surgical lights & Exam tables
- Office equipment, desk, chairs, printers & phones, Shor-line cages

SAMMIE

Low Cost Spay/Neuter & Wellness Clinic

This new clinic has plans to operate a low cost spay/neuter and wellness clinic for the community. That is why we are asking our community, sponsors and donors to help us get this done. **Remember that we are a 501(C)3 that operates strictly on donations and the kindness of our community.**

Thank you for helping us
Raise the WOOF!
